a real estate business that lasts

THE REALITY CHECK

Most agents fail because they don't treat this like a business from Day 1.

75%	87%	$8,100	TOP 20%
of new agents fail within year one	are gone within five years	median first-year agent income	earn 80% of all real estate income

WHAT SEPARATES THE TOP 20%

The agents who make it aren't smarter or luckier. They do 3 things: **prospect every single day** (no exceptions), **track their numbers** (what gets measured gets improved), and **treat the first 90 days like their business depends on it** - because it does. This plan gives you the exact roadmap. Follow it.

PHASE 1: FOUNDATION

DAYS 1-14

Build the systems and relationships that will power your entire career.

⚡ PHASE 2: MOMENTUM

DAYS 15-45

This is where most agents quit. Those who push through the discomfort build careers that last.

- [ ] Make 20-25 prospecting contacts per day (calls, texts, face-to-face) PRIORITY
- [ ] Host your first open house (volunteer for a listing agent if needed) PRIORITY
- [ ] Follow up with every open house visitor within 24 hours PRIORITY
- [ ] SOI check-in: personally reach out to 5 contacts per day from your Top 200
- [ ] Door-knock or circle-prospect around new listings and recent sales (50 doors per week)
- [ ] Start a monthly email newsletter to your SOI with market updates and tips
- [ ] Attend 2 networking events (chamber of commerce, BNI, local meetups)
- [ ] Practice your listing presentation and buyer consultation scripts until they feel natural

- [ ] Build your vendor list: lender, inspector, title company, photographer, stager
- [ ] Ask for and collect testimonials from any clients you've helped (even informally)

PHASE 3: ACCELERATION

DAYS 46-70

By now you have momentum. Time to refine your systems and double down on what's working.

- [ ] Analyze your numbers: calls made, contacts reached, appointments set, conversions PRIORITY
- [ ] Double down on the lead source that's producing the most conversations PRIORITY
- [ ] Start prospecting expired listings and FSBOs (use scripts from the Prospecting Playbook)
- [ ] Host 2 open houses per month minimum
- [ ] Launch a geographic farm (choose 200-500 homes, mail monthly)
- [ ] Create a buyer presentation packet explaining your value and the buying process
- [ ] Master the art of the pre-approval conversation with buyers
- [ ] Build a referral ask into every client interaction: "Who do you know that..."
- [ ] Start tracking weekly metrics: hours prospected, appointments, pending deals, closed volume
- [ ] Develop your "why" story - a 30-second version of why you got into real estate

- [ ] Schedule a check-in with your broker or mentor to review progress and adjust strategy
- [ ] Get comfortable with the Buyer Representation Agreement and how to present it

PHASE 4: SCALING

DAYS 71-90

You're no longer new. You're building a real business. Time to think about systems, not just survival.

- [ ] Conduct your 90-day review: what worked, what didn't, what needs to change **PRIORITY**
- [ ] Set your 6-month and 12-month production goals (transactions and GCI) **PRIORITY**
- [ ] Build a listing presentation that's uniquely yours (not just the brokerage template)
- [ ] Systematize your follow-up: every lead gets a defined touchpoint schedule
- [ ] Create a client experience workflow from first contact to post-closing
- [ ] Start a 33-touch or 8x8 program for your SOI (12 contacts per year per person)
- [ ] Evaluate your tech stack - what's helping, what's a distraction?
- [ ] Ask your 3 best clients for video testimonials
- [ ] Launch or refine your personal brand: logo, colors, tagline
- [ ] Identify your next skill gap: negotiation, marketing, objection handling, listing presentation
- [ ] Block your next 90 days with the same discipline (this is now your lifestyle)

YOUR DAILY SCHEDULE

TIME-BLOCK FOR SUCCESS

The most successful agents protect their prospecting time like it's sacred. This schedule keeps you focused on income-producing activities first.

TIME	ACTIVITY
7:00 - 8:00 AM	Morning routine, mindset, review daily goals
8:00 - 8:30 AM	Review CRM, check new leads, plan outreach
8:30 - 11:00 AM	**Prospecting block (calls, texts, door-knocking) - NON-NEGOTIABLE**
11:00 - 12:00 PM	Admin time (contracts, MLS updates, marketing)
12:00 - 1:00 PM	Lunch / networking meeting

THE PROSPECTING BLOCK RULE

8:30-11:00 AM is your money-making window. No emails. No admin. No social media scrolling. Just conversations with potential clients. If you only follow one rule from this entire plan, make it this one.

⚠ 8 BIGGEST NEW AGENT MISTAKES

AVOID THESE AT ALL COSTS

THE MISTAKE
Waiting for leads to come to you

THE FIX
Go find them. 80% of your time should be proactive prospecting, not waiting by the phone.

THE MISTAKE
Spending money before making money

THE FIX
Focus on free lead generation first: SOI, open houses, door-knocking, social media.

THE MISTAKE
Not tracking your numbers

THE FIX
What gets measured gets improved. Track calls, contacts, appointments, and conversions daily.

THE MISTAKE
Trying to be everything to everyone

THE FIX
Pick a niche or geographic area. Become the expert there first.

THE MISTAKE
Avoiding the phone

THE FIX
The phone is your #1 income-producing tool. Practice until the fear goes away.

THE MISTAKE
Skipping your prospecting block

THE FIX
Treat 8:30-11 AM as sacred. Nothing else happens during that time.

THE MISTAKE
Comparing yourself to experienced agents

THE FIX
They were once where you are. Focus on your daily actions, not their results.

THE MISTAKE
Not asking for help

THE FIX
Your broker, mentor, and teammates have solved every problem you'll face. Ask.
